

**8) Bursar's Report**

- **Keys** must be handed back in over the next few days, and those new to the team must learn how to lock up the building.

**9) AOB**

- **Code of Conduct** for SC has now been drafted by AGi, in response to the Equity Policy discussion. If approved, this will be signed as per an NDA.
- Sets out the purpose of the Code and who its contents apply to. Gives a clear statement of how members of SC should and should not behave, eliminating the need for unnecessary criminal procedures.
- The document will not go into the Regulations, just being voted upon instead.
- Following this discussion, several editions will be made regarding: 1) punctuality; 2) treating Union staff with respect; 3) Treasurer's Committee; 4) who to go to in case of problems; 5) disability discrimination. After these editions are added in, the new Code of Conduct will be circulated, then the current team can vote on it. If voted in, it will apply from next term.

*Meeting closed at 08.42am*

- **Parliamentary Hustings** – all the candidates were very impressed with the professional and smooth running of the hustings. Great management from the Executive and HoEMs. Union hasn't held event quite like this before – excellent it was so successful.

- **Union Elections** – congratulations to the newly elected team.

#### WEEK AHEAD

- **Russell Kane** – need to invite and share tonight (Tuesday).
- **Simon Amstell** – should get great turnout, but is at 5.00pm so might need a slight extra push.
- **Moazzam Begg** – logistics to be discussed at ExComm.
- **Presidential Debate** – SC photo that evening at 5.30pm – come along in black tie to feature in this.

#### 2) Executive Officer's Report

- **Parliamentary Hustings** went very well – thanks to all involved.
- **Handover** – all of SC must check the Facebook group for details on what we have to do. Vital to make sure CUS Master File is updated with your documents – we're finally building up one single database of files so let's make it work. Email accounts will probably be locked out on Thursday or Friday (automatic process) so don't leave it all to the last minute. Let OM know if there are any problems.

#### 3) President-Elect's Report

- **Appointed Positions** to be allocated today – would be great to have meetings with those taking over in your role next term.

#### 4) Speakers' Officer's Report

- Thanks to all who have done such great **publicity** for speaker events this term.
- If anyone's around on Saturday and would like to go to **Buzz Aldrin** dinner/generally look after him while he's here, let JH know.

#### 5) Treasurer's Report

- All **receipts** for this term to be handed to RHi by Thursday.

#### 6) Social Events Officer's Report

- **Last collaborative ent** of term was on Saturday (Backtracks x Fever) – apparently successful.
- **Cindies cards** are to be returned (especially important if you're not on Easter SC) so can be passed on to next term's team. Hand to SP or leave in his pigeon hole.

#### 7) Heads of Events Management's Report

- Thanks to all who have **stewarded**, especially last-minute, this term – always so appreciated.
