1) Welcome from the President

HSB: Well done for your work over the last week. The attendance for Sigma really proves that Union fatigue is real. The debate went well other than some AV difficulties but thank you for coping with it. Piers Morgan went really well as did the ticket release for Bernie Sanders.

2) This Week

a) Mary Berry

JS: We are hoping to get a full chamber.

DG: We will be having a sharing wave for the event soon.

JS: Her book will also be on sale for cash and there will be a livestreaming, also note that this event will not be livestreamed.

b) The Kooks

JS: Happening tomorrow at 2pm, they enter the building at 2 and they will be gone by 3, they aren't hanging around. Its potentially the first time that the band has been interviewed as a whole group.

c) Deng Yaping

JS: She has been moved to next Monday, we'd like to publicise this well to the Chinese community in Cambridge as she is very famous there.

HSB: We've also invited at least two other societies.

d) Social Media Debate

JB: Last week went well, we are dealing with exam term fatigue but it's a standard event as far as HoEM and AV is concerned.

3) AOB

NT: How are we allocating Bernie stewards?

HSB: Experienced ones have priority.

JS: You'll also need to send me a list of their names.

Meeting adjourned at 08:35am
