The Cambridge Union

The Orator is part of The Cambridge Union, the oldest debating society in the world.

Since its founding in 1815, The Union has been committed to preserving and promoting free speech. Leading figures from across the world have spoken in our historic chamber. The Union provides a space for all people to challenge and be challenged.

Every Thursday, during term, members and guests debate the greatest issues of our time. If you're lucky you'll hear the results announced in the bar afterwards!
